Introduction

The Spring Fields Baby Blanket is the first in a series of seasonal blankets.

The flowers on this pattern have been heavily inspired by the amazing Sophie's Universe pattern by Dedri Uys at [Look At What I Made](#). So I would like to give her a special design credit for allowing me to use a modified version of her flower. She's a wonderful designer and has some amazing patterns coming out, so if you haven't already, head along to check out her blog!

Sabrina (the wonderful woman I created this blanket for) has two favourite seasons: Spring and Autumn. She loves the freshness of the air paired with the clear blue skies. That is, if we are lucky enough for it not to be pouring with rain!

So this blanket was designed to embody Sabrina's positive and uplifting personality, the colours I know she adores and the season she enjoys.

I designed this pattern for Caron Cakes because I love the gorgeous colourways they have come up with. For this blanket I used 2 cakes of Strawberry Trifle (how great is that name?) and managed to make the whole blanket with just a few meters to spare.

Now for the legal stuff: with this pattern you're more than welcome to make items for sale. I only ask that you credit me as the designer. This pattern cannot be reproduced or reposted in any way, and cannot be translated without my consent.

If in any doubt, or you have any questions, please email me at creating-time@outlook.com

I hope you enjoy making this blanket as much as I enjoyed designing it!

Materials

To make this blanket 80cm W x 90cm L (with a margin of error of 5cm) exactly as shown you will need the following materials:

- 2x Cakes of Caron Cakes Yarn (Strawberry Trifle)
 - You will be playing yarn chicken at the end with 2 cakes. So if you don't have nerves of steel you should either buy an extra 100g (128 meters/140 yards) of aran yarn for the border, or an additional cake.
- 6mm Crochet Hook (US: J/10, UK and CA: 4)
- Yarn Needle
- Blocking Mat
- Blocking Pins

If you wish to use a different type of yarn than what I have used, the specifications are as follows:

- Aran Yarn (worsted weight, 10 ply yarn, medium 4)
- 400 grams (14.2 oz)
- 700 meters (766 yards)
- Cotton or wool blend

As this pattern is for a baby blanket, I would recommend purchasing yarn that can be machine washed and is designed for heavy use. The last thing new mums want to do is hand-wash blankets!

Abbreviations

BLO	Back Loops Only <i>The back bar of the V-shaped loops you see when looking down on the top-side of a project.</i>
BPSC	Back-Post Single Crochet <i>Insert around the back of the post of a ST (hook enters around the post from the back). Pull up a loop. Pull yarn through 2 loops on hook.</i>
CH	Chain <i>Starting with a SL ST on your hook, yarn over and pull yarn through loop.</i>
DC	Double Crochet <i>Yarn over hook once, insert hook into ST. Pull up a loop. Pull yarn through 2 loops twice.</i>
DTR	Double Triple Crochet <i>Yarn over hook 3 times, insert in ST. Pull up a loop. Pull yarn through 2 loops 4 times.</i>
FLO	Front Loops Only <i>The front bar of the V-shaped loops you see when looking down on the top-side of a project.</i>
FPDC	Front-Post Double Crochet <i>Yarn over hook once, insert around the back of the post of a ST (hook enters around the post from the front). Pull up a loop. Pull yarn through 2 loops twice.</i>
FPDTR	Front-Post Double Triple Crochet <i>Yarn over hook 3 times, insert around the back of the post of a ST (hook enters around the post from the front). Pull up a loop. Pull yarn through 2 loops 4 times.</i>
FPSC	Front-Post Single Crochet <i>Insert around the back of the post of a ST (hook enters around the post from the front). Pull up a loop. Pull yarn through 2 loops on hook.</i>
FPTR	Front-Post Triple Crochet <i>Yarn over hook twice, insert around the back of the post of a ST (hook enters around the post from the front). Pull up a loop. Pull yarn through 2 loops 3 times.</i>
FPTRTR	Front-Post Treble Triple Crochet <i>Yarn over hook 4 times, insert around the back of the post of a ST (hook enters around the post from the front). Pull up a loop. Pull yarn through 2 loops 5 times.</i>
HDC	Half Double Crochet <i>Yarn over hook once, insert hook into ST. Pull up a loop. Pull yarn through all 3 loops.</i>
SC	Single Crochet <i>Insert hook into ST. Pull up a loop. Pull yarn through both 2 loops.</i>
SL ST	Slip Stitch <i>Insert hook into ST. Pull up a loop. Pull this loop through the first loop on hook.</i>
ST	Stitch <i>The V-shaped loops you see when looking down on the top-side of a project</i>
TR	Triple Crochet <i>Yarn over hook 2 times, insert hook into ST. Pull up a loop. Pull yarn through 2 loops 3 times.</i>
TRTR	Treble Triple Crochet <i>Yarn over hook 4 times, insert hook into ST. Pull yarn through 2 loops 5 times.</i>

Leaves

First leaf: SL ST in next ST. CH 4 [1]. Yarn over twice, insert hook into the same ST as SL ST. Pull up a loop (4 loops on hook). Yarn over and pull through 2 loops (3 loops on hook). Yarn over again and pull through 2 more loops (2 loops on hook [2]). Yarn over twice, insert hook into the same ST as SL ST and the first TR. Pull up a loop (5 loops on hook). Yarn over and pull through 2 loops (4 loops on hook). Yarn over again and pull through 2 more loops (3 loops on hook [3]). Yarn over one more time and pull through all 3 loops on hook [4].

Anchor: Insert hook behind the FPTR from the row 2 rows below the current row [1-2]. Make a SC [2-3] around the FPTR.

Second leaf: CH 4 [1]. Yarn over twice, insert hook into the same FPTR as the anchor SC [2] (*note: try to turn your work so you can insert your hook on the left side of the FPTR and above the SC already made around this ST. This will make your leaves even [4]*). Pull up a loop (4 loops on hook). Yarn over and pull through 2 loops (3 loops on hook). Yarn over again and pull through 2 more loops (2 loops on hook). Yarn over twice, insert hook into the same FPTR as anchor SC and the first TR. Pull up a loop (5 loops on hook). Yarn over and pull through 2 loops (4 loops on hook). Yarn over again and pull through 2 more loops (3 loops on hook [3]). Yarn over one more time and pull through all 3 loops on hook.

Anchor: Skip the 7 STs after the first SL ST. Create a SL ST in the 8th ST [1-2].

Reverse Popcorn Stitch

Make 5 DCs in the same ST [1]. Remove your hook from the loop already on it, and insert your hook from the back of the work into the first DC you made [2]. With the first DC ST still on your hook, insert your hook back into the loop [3]. Tighten and pull loop through the first DC ST [4]. CH 1 [5].

Puff Stitch

Yarn over and insert hook into ST. Pull up a loop. *Yarn over and insert hook into the same ST. Pull up a loop [1].* Repeat 3 more times (11 loops on hook [2]). Yarn over and pull through all 11 loops on hook [3]. CH 1 to close the stitch [4].

Shallow FPSC

This stitch is basically the same as a [FPSC](#). The only difference is instead of inserting your hook around the post, you insert your hook around the stitch. [See more information here.](#)

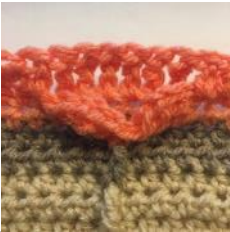

Instructions

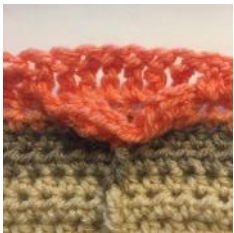

READ BEFORE STARTING:

- Grey row = front side of work
- White row = back side of work
- Numbers in [square brackets] within the text refer to the image it corresponds to
- The turning chain at the end of each row does not count as a stitch
- When working in BLO or FLO – this is the front or back loop as seen from whichever side you’re working on, NOT the FLO or BLO or the “right” side of the work
- Except when making leaves or flowers, there should be 7 HDCs between each of the FPTR stems. On each end there should be 4 HDCs. I would recommend counting at the end of each row.
- If you have a greater or smaller number of stitches, there are the following options:
 - Undo (frog) your work until you find the mistake. This is recommended if you have more than 1 or 2 extra/fewer STs OR the stems have started to bend.
 - If you have only added 1 or 2 extra stitches, HDC2TOG in the STs between the stems that contain the mistake (this will stop the stems from bending)
 - If you are missing 1 or 2 extra stitches, 2 HDC in a ST between the stems until you have the right number of STs between each stem (this will stop the stems from bending)
- It may be helpful to use stitch markers to mark the stems that will contain flowers/leaves. These are stems 2, 4, 6, 8, 10

Row	75-89	Repeat rows 73-74 until desired length is reached. I have done 89 rows for an approx. 90cm long blanket. Make sure you end on an odd row so the FPTRs carry through till the border.
Border		
Row	1	SC in each ST on each side of blanket. Make 2x SC in each corner.
Row	2	Crab stitch (reverse single crochet) in each ST around blanket
